Honorable John Salazar

Congressman Salazar,

The City of Aspen, Colorado supports the efforts of the Thompson Divide Coalition. The Coalition has now drafted a bill called the Thompson Divide Withdrawal and Protection Act. We support the aims of that bill and request that you introduce the bill during this session in order to move this effort forward.

Thank you for your ongoing commitment to the residents of Colorado and for the protection of public lands. We look forward to working with you and your staff to ensure that the Thompson Divide gets the permanent protection it deserves.

Respectfully,

Michael C. Ireland, Mayor of Aspen
